The first payment is due with the registration. 9 and 10 pay plans are due on the first of each month, beginning in September, regardless of the day of the week your child dances. 4 pay payments are due at registration, October 24, January 5 and March 1. 2 pay payments are due at registration and January 5.

You must add \$10 to your payment if you choose to pay later than the due date. There is no grace period.

You are liable for the entire year's tuition unless you notify the school in writing of withdrawal at least 10 days before the next payment is due. There are no refunds or credits for any reason unless the school cancels the entire course OR a serious, life threatening illness prohibits the student from continuing.

Missed lessons may be made up within the school year.

There is a \$25 charge if your check is returned from the bank unpaid.

Presently, the school accepts checks or cash only for tuition payments.

**When you sign the registration form, you are acknowledging that you understand and agree to abide by these policies.**
